[ ] presented her chart based upon GS-<sup>7</sup>~~9~~ and above professionals who are still on board with the Agency after five years and who EODed between the years 1963 and 1968.

Margaret mentioned that according to the CY 1973 statistics, the Agency has increased the number of females on board by less than one percent from December 1972 and December 1973 but nothing else has changed. Ten percent of the women in the Agency are GS-12 and above. Three percent of all people GS-12 and above are women.

Mr. Colby is very interested in women who leave the Agency to raise families coming back to work on a part time basis.

Mention was made of the plan to possibly reduce the number of career services in the Agency to 5. STATINTL

It was suggested that the WAP have a two-day barnstorming session [ ] Office of Political Research in the process of formalizing.
